Bydd eich gwasanaeth newydd ar gyfer casglu gwastraff yn cychwyn

Dydd Mercher 14 Awst 2019

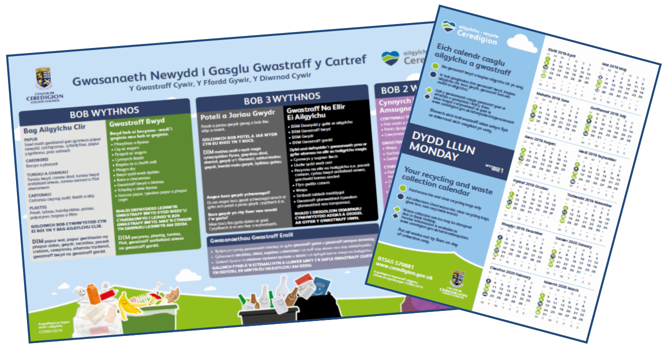
Dilynwch y calendr newydd ar gyfer casglu gwastraff o’r dyddiad hwn yn unig. Bydd casgliadau fel arfer tan y dyddiad hwn.

Dyma’ch pecyn ailgylchu newydd:

- **Bocs du** ar gyfer poteli a jariau gwydr. Os byddwch yn canfod nad ydych yn gallu cario'r blwch hwn i'ch man casglu gwastraff, mae blwch llai gyda chaead a handlen ar gael yn ei le drwy ofyn amdano. Mae’r blwch llai tua chwarter maint y blwch gwydr safonol.

- Rholyn o **fagiau ailgylchu clir**

- Rholyn o **fagiau gwastraff bwyd**, ar gyfer y cadi cegin 7litr. Mae’r rhain wedi’u cymeradwyo gan y Cyngor a’n contractwr trin gwastraff bwyd ar gyfer eu defnyddio. Cewch hefyd barhau i ddefnyddio bagiau y gellir eu compostio os dymunwch, fodd bynnag ni chaiff y rhain eu compostio. Defnyddir pob bag i gynhyrchu gwres a thrydan.



- **Pecyn gwybodaeth**, gan gynnwys calendr a thaflen casglu gwastraff sy’n egluro sut i ddefnyddio’r gwasanaeth.

Dylech chi eisoes fod â chadi cegin gwastraff bwyd a chynhwysydd i’w roi ar ochr y ffordd. Os nad oes gennych chi’r rhain, cysylltwch â ni.

Your new waste collection service will start on Wednesday 14 August 2019

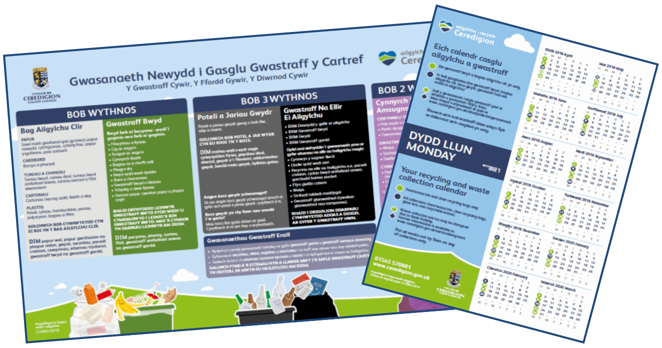
Please follow the new waste collection calendar from this date only.
Collections will be as usual until this date.

Here's your new recycling pack:

- **Black box** for glass bottles and jars.
  If you find that you are unable to carry this box to your waste collection point, a smaller box with lid and handle is available on request instead. The smaller box is about a quarter of the size of the standard glass box.

- Roll of **clear recycling bags**

- Roll of **food waste liners**, for the 7 litre kitchen caddy.
  These have been approved for use by the Council and our food waste treatment contractor. You may also still use compostable liners if you wish, however these will not be composted. All liners are used to generate heat and electricity.



- **Information pack**, including a waste collection calendar and a leaflet explaining how to use the service.

Food Waste containers
You should already have a food waste kitchen caddy and kerbside container. If not, contact us.
