**4. PRESENTATION**

**A Presentation was received from Mrs Dwynwen Belsey**, a Trustee of Cambrian Mountains Society, assisted by Lorna Brazell and Mr Chris Belsey.

Cambrian Mountains Society seeks designation of the Cambrian Mountains as an *Area of Outstanding Natural Beauty* ("AONB").

Designation of an area can bring with it real opportunities for local communities such as Ystrad Fflur, in terms of greater recognition and economic development. But it can also raise challenges, including an increasing number of visitors and changing expectations as to how the area will be presented and managed. Input from all the communities surrounding the uplands was sought.

8. **MATTERS ARISING**

8.1 **Trimming of trees to the rear of the Maesydderwen Estate:** Natural Resources Wales had conveyed that this body was not responsible for the trimming of these trees and advised the Community Council to contact Ceredigion County Council. The area of land under review was classed as common land. Cllr Gareth Owen and Cllr Non Jones had assessed the situation. Branches need to be trimmed in the future.

8.2 **Grant Funding:** Fence for Park (between park and football pitch – height 1m): Cllr Clare Hughes had assigned attention to the matter. It was agreed to contact the Football Club to find out who was responsible for the fence and whether it needed to be in place. Proposed by Cllr Angharad Jones and Seconded by Cllr Alun Price Jones.

8.3 **Repair of Notice Board at Ffair Rhos:** Cllr Gareth Owen had executed the task.

8.4 **The Queen's Platinum Jubilee – National Lottery Awards for All: OV Wales**

National Lottery funding is available to mark Her Majesty the Queen's Platinum Jubilee in 2022. The Queen's Platinum Jubilee National Lottery Awards for All is accepting applications for projects costing less than £10,000 for communities developing projects to join in with the celebrations. Projects should meet the standard aims and eligibility criteria set of the grant programme. Whilst not essential, the strongest projects will also meet three focus areas: promote relationships across generations; develop the skills and experience of communities; encourage the care of/action in the natural world as part of the celebrations. One off events on the day of the Jubilee, which meet these criteria will be accepted. The strongest applications will demonstrate a lasting impact beyond the event itself. It is likely that the Lottery will receive more applications than it is able to fund.

[It was \*\*agreed\*\* to arrange an open meeting for Thursday 17<sup>th</sup> March 2022 @ 6.30pm at the Pantyfedwen Hall Library to discuss the way forward with a view of setting up a committee. 9. **CORRESPONDENCE**

9.1 **Communication from Lowri Jones Bro 360 Co-ordinator.** Through the Bro360 pilot project, Cwmni Golwg has supported the communities of the Tregaron area over the past 3 years to create the community hyperlocal website Caron360. Despite the pandemic, Caron360 has gone from strength to strength since first going live in May2020, with 142 stories published by over fifty local people. Through the

website's content, projects such as Gŵyl Bro and creative training sessions, Bro360 is delivering on its core aim of promoting and enhancing communities.

Its success is attributed to the local element of every one of the hyperlocal websites, which are entirely in the hands of volunteers.

Bro360's intention is to work with new areas, starting with the communities of south Ceredigion, as well continuing to provide support to all eight existing websites. At the same time, there are plans to develop commercial income from businesses, both locally and regionally.

However, the pilot project funding ends in 2022.

An application for a Lottery grant is under way, which would secure a share of the funding needed to develop, but local input would be needed also to maintain the support for existing websites.

It was enquired whether the Community Council could provide financial support for the forthcoming fiscal year. It was **agreed** to leave the matter in abeyance until the next meeting.

Ystrad Fflur Community Council was also asked whether it would be prepared to contribute articles regarding developments, successes or meetings of the community council on Caron 360. It would help more people to know what was taking place at the most local level of democracy. Two delegates of the community council were invited to attend the Bro360 webinar, to be hosted by Bro360 on Zoom in March 2022.

**9.2 Play for Wales: Play Wales Issue 58;** to forward a link onto the Community Council's website and Facebook.

- There will be 4 multi-member electoral wards.
